Parent Discussion and Concerns:

*The Christmas Program will be held on December 18th at the Gym in the Elementary School. It will be similar to last year with K-3 going at 9AM and 4th – 6th going at 11AM. This will be done by the music program. It is going better than last year.

*There will be no mid-term sage tests this year in the district.

*The parents were not invited to the Veteran's Assembly because there is not enough room in the gym. There are welcome to come if they would like but it will be standing room only.

*The 5th/6th grade rotating classes. The parents who have kids in the classes are really liking the rotating 5th & 6th grade classes this year. Mr. Reynolds likes the communication that is happening between the four teachers who are working together.

Meeting adjourned at 10:45 am
