

Panguitch Elementary School Community Council

March 21, 2017

Welcome - Christi Evans

Motion to approve minutes from last meeting - Christi Evans; Laura Cox 2nd

Review of School LAND Trust budget and projected amount for school year 2017-18

The amount increased \$60,000 for 2017-18

We have \$6,000 to spend for the remainder of the 2016-17 school year

The STEM teachers would like to spend \$300 - Christi made a motion to approve; Laura 2nd

Cindi Barney is the new reading specialist for the district she would like some funding for upper reading level books and materials. She will let us know the amount

The aide receiving benefits discussed in the last meeting is no longer receiving benefits. She offered to pay them back. The district is looking into if that is a possibility.

Review and approval of Title 1 School Improvement Plan

Christi approved; Laura 2nd

The teachers are getting some paid teacher improvement training days.

There was some question whether or not they will hire an additional teacher for 3rd grade for the 2017-18 school year. They class size is small for the upcoming 3rd grade students. Sheryl Henrie is moving to 2nd grade to take Ruth Boshell's spot.
